## First Joshua School for Special Needs Kids to Open in Mandalay

Staff training continues in Yangon, and construction on the building is slated to begin in August – all in preparation for the grand opening of our first Joshua School in October!

Information about the school is being distributed to churches and businesses in Mandalay. We hope for 10 children to enroll. Scholarships will be available to those who cannot afford to pay.

Matching grant funds are STILL available! Your gift to ACM to fund this ministry will go TWICE as far this summer. See “How to Give” in the left hand box. Special thanks to Tulip Street Christian Church in Mitchell, IN. Their VBS offering will help us meet the match!

## Finding Home: An Update on Refugee Relief & Resettlement

**As many as a million people in Myanmar are displaced due to on-going civil war and natural disasters.**

**With the help of partners such as IDES, we are often able to provide emergency relief. But after the immediate need, we work with the refugees to find long term solutions. Again, with the help of partners, including IDES and Sherwood Oaks Christian Church, Asian Children's Mission continues to play a significant role in resettling hundreds of families. They have named their new homes “Comfort Village” and “Happy Village.” The picture above is from Comfort Village, where crops, livestock and people are all flourishing.**
